

## Rise Up Together Group Coaching Pricing Structure Agreement

Name:

### Pricing Structure

It is important to us that group coaching is accessible no matter each person's financial situation, systemic barriers or family responsibilities. For that reason, the course cost is tiered as listed below (price assumes that the cohort will meet 4 times each month):

Moon Level: \$1450 Total or 3 monthly payments of \$500

Sun Level: \$1160 Total or 3 monthly payments of \$400

Star Level: \$870 Total or 3 monthly payments of \$300

We trust you to choose the pricing level that aligns with your financial situation, systemic barriers, and/or family responsibilities as well as the value you place on this Group Coaching Program. If your situation changes and you feel called to change your pricing level (up or down) for any reason please reach out to Michelle.

### Client Agreement

1. I have chosen and agree to the  Level for the Rise Up Together Group Coaching Program.
2. I agree to give two (2) weeks-notice before the next monthly subscription payment if I decide to change the level of my subscription (up or down) for any reason.
3. I agree to give two (2) weeks-notice before the next monthly subscription payment if I decide to withdraw from the program for any reason.
4. I understand that refunds to the subscription will not be given for any sessions I miss in a given month, as recording of the session will be provided (assuming all cohort members have agreed) to help keep me up-to-date.

I have read and agree to the above.
